2014 will go down as a year of great accomplishment. As a team, we sold the most homes in MOSAIC's history. It's a giant leap forward, and we couldn't have done it without each and every one of you who put your trust in us and helped establish a platinum standard for selling homes. In 2015, we will continue to break new ground and take our city's skyline and neighbourhoods to new heights.

Thank you all for making 2014 the best year in our company's history.
